2. Open to all area bowlers fifty-five (55) years of age at time of bowling.
3. This tournament will consist of Doubles (Two Men, Two Women or Mixed with a 420 combined maximum average). Double's entrants may compete twice with different partners. Singles compete once. Entrants **MUST** bowl doubles to be eligible for singles.
4. This Tournament shall be conducted on a handicap basis of 90% of the difference of the bowler's highest average and 230. All doubles entrants will compete in one division. Singles entrants will compete in Women and Men's divisions.
5. Highest 2006-2007 Yearbook average will be used. If bowler has no previous 2006-2007 Yearbook average, current season average of 21 games or more as of February 1, 2008 will be accepted. If no average, bowler must bowl scratch (230 average).

If a recheck of average discloses a bowler with a higher average than submitted, his or her score shall be disqualified. If bowler submits to high an average, then the score will stand on the average submitted. Corrections can be made up to the completion of the first game of a series, or within 48 hours after the completion of a series if the Tournament manager, prior to the completion of the first game, has given written consent authorizing such extension of time to correct average.
